- I. RANK:** Associate Professor of Accounting, Economics and Finance
Graduate and Undergraduate Faculty
- TENURE/NONTENURE:** Tenured (2000)
- DEPARTMENT:** Delaware State University
College of Business
Department of Accounting, Economics and Finance
- JOINED INSTITUTION:** 1994

TEACHING EXPERIENCE: 16 years + 2 years Supervisory Training Instructor
August, 1994 to Present – DELAWARE STATE UNIVERSITY, Dover, DE.
Position: Associate Professor of Economics, Department of Business Administration
and Department of Accounting, Economics and Finance. Lead Administrator:
Mobile Crime Scene Development and Demonstration Project (2009-10). Director:
Delaware State University Center for Transportation Research (2000-03). Interim
Chair: Department of Business Administration (1998). Chairperson: Department of
Economics (1995-96).

August 2003 to June 2004. U.S. COAST GUARD ACADEMY: New London, CT.
Position: Distinguished Visiting Professor, Department of Leadership and
Management. Under an IPA contract at the USCGA, I participated in faculty
orientation; taught Macroeconomic Principles and Public Sector Economics classes;
attended a homeland security conference (ICATHS 2003) at the University of
Connecticut; introduced the Iowa Electronics Market trading platform to the Public
Sector Economics class; was the keynote speaker at the annual Martin Luther King,
Jr. celebration; attended the ASSA annual meetings in San Diego, CA; conducted
research on Edge Act and Agreement Banking Institutions presented at the Eastern
Economic Association meetings in Washington, D.C. and at the Faculty Research
Day Presentations at the USCGA; conducted research on the Swab Summer Cadet
Retention Survey; presented a paper at the International Atlantic Economic Society
conference in Lisbon, Portugal; presented a seminar at the University of Rhode
Island; attended the “The Seven Habits of Highly Effective People” seminar; assisted
the Writing Center in developing criteria for effective writing of economics papers at
the Academy; and participated in graduation ceremonies in which VP Cheney was
the speaker.

July 1996 to June 1997. U.S. AIR FORCE ACADEMY: Colorado Springs, CO.

Position: Distinguished Visiting Professor of Economics and Geography. Under an IPA contract at the USAFA, I attended a conference on Technology in the classroom at West Point; taught Honors sections of Principles of Microeconomics; taught Macroeconomics; assisted cadets in research; attended the ASSA annual meetings in New Orleans, LA; conducted research on the Delaware credit card industry that was presented at the International Atlantic Economic Society conference in London, United Kingdom; wrote the executive summary for the *Dean of the Faculty's Strategic Plan for Character Development*; judge for the USAF Academy's Annual Forensic Tournament; attended the NASA-sponsored workshop at the National Association For Equal Opportunity in Higher Education (NAFEO) conference in Washington, D.C.; and attended graduation ceremonies in which Defense Secretary Cohen was the speaker.

August 1985 to June 1988. HOWARD UNIVERSITY: Washington, DC. Position: Teaching Assistant and Research Assistant in Statistics and Macroeconomics.

June 1983 to August 1985 – ROCKWELL INTERNATIONAL CORPORATION: NORTH AMERICAN AIRCRAFT OPERATIONS; Tulsa, OK. Position: Instructor, First-Line Supervisory Training.

Teaching Responsibilities and Areas of Involvement:

Principles of Macroeconomics and Microeconomics, Introductory Business Statistics, Quantitative Methods (MBA), Quantitative Research Methods (MBA), Economic and Financial Environment of the Organization (MBA), Managerial Economics (MBA), Commercial Bank Management, Principles of Microeconomics (Honors), Intermediate Microeconomics, Mathematical Economics, Insurance, Money & Banking, Public Finance, Public Sector Economics, and Global Societies.

II. EDUCATIONAL BACKGROUND

Section II

BIO in Brief

Dr. Jan E. Christopher received her Bachelor's degree in Economics from Hampton University in 1980; her Masters degree in Political Science (Public Policy) from the University of Rochester in 1982; her M.B.A. degree from the University of Oklahoma in 1984; and her Ph.D. in Economics from Howard University in 1993. She is considered to be both an academically and professionally qualified economist. Dr. Christopher has been a staff analyst, program/project analyst, economic analyst, and market specialist working in the fields of finance, urban economics, statistics and public policy for over 25 years. She is presently an Associate Professor of Accounting, Economics and Finance in the College of Business at Delaware State University. She was appointed as a tenure-track assistant professor at Delaware State University in 1994 and has served as the Chair of the Department of Economics and Acting Chair of the Department of Business Administration. Between 1998 and 2003 she received several U.S. Department of Transportation-Federal Highway Administration research grants under the major category of On-the-Job Training-Supportive Services. She has previously served as a Distinguished Visiting Professor of Economics and Geography at the U.S. Air Force Academy (1996-97) and as a Distinguished Visiting Professor of Leadership and Management at the U.S. Coast Guard Academy (2003-2004). She was also the Director of the Delaware State University Summer Transportation Institute between 1998 and 2003. Dr. Christopher's government career as a researcher has been with such agencies as the Office of Economic Research, Office of Advocacy, U.S. Small Business Administration; her dissertation research was conducted through the Research and Statistics Division, Board of Governors of the Federal Reserve System; she worked as an Economic Analyst (Finance) and Analyst in Regional Economic Development in the Industry Analysis and Transportation Section of the Economics Division of the Congressional Research Service; and most recently as a Fixed-Income Market Specialist with the Bureau of the Public Debt, U.S. Department of the Treasury (2004-2006). She also has experience in the corporate sector as a Quality and Reliability Staff Analyst III and Program/Project Analyst with Rockwell International Corporation, North American Aircraft Operations prior to it being sold to Boeing Integrated Defense Systems in 1996. In December of 2009 she has completed the Pre-Demonstration Evaluation Research Study for a grant funded by the U.S. Department of Justice. Dr. Christopher has also serving as an external reviewer for the Howard University Department of Economics; the chair of the DSU Faculty Senate Finance Committee; and a member of the AACSB International Assurance of Learning Committee for the Delaware State University College of Business.
